

Instruction by game analysis and the data utilization

Name	HONMA Koji	E-mail	khonma@tsuruoka-nct.ac.jp
Status	Professor (B. PE.)		
Affiliations			
Keywords	education / culture ~ Rugbyfootball, Sports Psychology, Sports Sociology		
Technical Support Skills	<ul style="list-style-type: none"> •I can prepare the instruction data of athletics club activity. •I can take easy rehabilitation with an EMS(Electrical Muscle Stimulation) device. 		

Research Contents

- Analysis of the performance situation of each player in the game of rugby football is used for improvement in player's skill and motivation.
- In club activities, I am researching the way of a team and/or the personal goal setting. I am also researching the motivation making of desirable consciousness.
- Research on the analgesic effect of an elasticized sports tape on the arthritic pain and /or muscular pain.
- I am studying how participants' general-purpose skill levels grow through sports practices that utilize ICT equipment.

※This research is funded by scientific research expenses.
